

**We Stand  
in Awe of  
God's Word**

# The Daily Road

The Daily Road framework utilizes the acronym **R.O.A.D.** (Read, Observe, Apply, Discuss) to guide you through your time in the scripture.

We hope it helps you gain the courage to approach the scripture and gives your time focus and depth—no matter where you are in your walk with Christ.

## **Read**

Approaching God's word can be intimidating, but no matter your biblical knowledge, the first step is the easiest. You simply have to pick up God's word and read it.

## **Observe**

By engaging in observation, you will build your biblical knowledge and give a foundation for the Spirit to use the text in your life.

## **Apply**

The goal of the application step is to take the knowledge you learned about God in the first two steps and use it as fuel for you to follow Him with your life.

## **Discuss**

Spend time with God and others discussing what He has shown you. It is in this step that you can build intimacy with God and community with others.
